Pay Compensation Study

The proposed letter from the DCI to the four congressional committees and OMB has been coordinated with the other two Community agencies -- DIA and NSA. They are in accord with our approach and the coverage/exclusions. My staff will review the letter with the IC Staff on 4 June and has requested a meeting to review the letter with the Department of State so that they are fully informed of our position. It is planned that appropriate committee staff members will be briefed on the report prior to the sending of the letter.
